Meeting @
NOVOTEL

Greetings from Novotel Twin Waters Resort,

Talk about a great place to communicate with nature! It's such a great environment and we have been opening up and discussing things more than I would ever have imagined. I can see we will get great results when we return to the office.

Not that I want to leave, this place is great! We had dinners on the beach, breakfast overlooking the lagoon and lunch at the Circus School. The conference rooms are perfect with large verandahs for our breaks, and we used some fantastic areas around the grounds sitting on the grass with a flipchart on hand. The team building activities are amazing, talk about opening your mind to new ideas!

The Team here are really friendly and can design the perfect event for you. Just contact them on 07 5450 9582 or h1644-sb01@accor.com.

*PS. Don't bottle it up, it will **improve communication**.*
